

Driver Education Information

The students are required to attend 30 hours of classroom, 6 hours of behind-the-wheel driving lessons and 6 hours of observation. Students will be assigned to groups of two or three students to accommodate 6 hours of observation time. Since the behind-the-wheel portion is outside the classrooms hours, the students should avoid scheduling any other activities during the driver's education time-frame.

Registration will be open for DCSD students prior to the start of class on a first come-first served basis. Student's and/or parents will register with NICC staff members by calling 844.642.2338, ext 3256 to pay by credit card or in person at the Dubuque Town Clock Center to pay by check or cash.

Please only contact the DCSD Food and Nutrition Office at 563-552-3237 to verify your eligibility for financial assistance with the \$349.00 course fees.
